Pitmosh is a punk rock band from Schleswig-Holstein, formed by members of the bands no-thing, Casino, and Pinnacles. With Johannes Hofmann on vocals, Achim Cohrt on guitar, Malte Seppmann on drums, and Mike Gründer on bass, the band stands for uncompromising old-school punk rock: direct, loud, raw, and without frills.

On their debut album Echoes, set for release in March 2026, Pitmosh delivers ten compact, high-energy songs ranging between punk rock, hardcore punk, and occasional melodic pop-punk influences. Driving drums, a guitar-heavy sound, and catchy choruses meet combative, socially critical-sounding lyrics. A straightforward, no-nonsense punk statement for anyone who likes their punk rock without unnecessary baggage.
